The image features a central text element surrounded by a decorative border. The border consists of numerous stylized snowflakes of varying sizes, each composed of six arms in different colors (red, orange, yellow, green, blue, and purple). The snowflakes are arranged in a circular pattern around the central text, with some overlapping. The central text is the phrase "NATURAL HOME DECOR" in a bold, sans-serif font. Each letter is a different color, following a rainbow-like gradient from red to purple.

NATURAL HOME DECOR

TERRARIUM BAUBLES & SUCCULENT WREATHS

Create your own miniature scene-scape to hang proudly on your tree or mantelpiece. Use a variety of moss, succulents, stones, soil and figurines to bring your festive ecosystem to life.

Handcraft a beautiful, natural hoop wreath using wicker, succulents and an assortment of foraged materials.

HERB BUNDLES

Choose from a range of aromatic herbs and flowers, and tie with a naturally hand dyed ribbon to create beautiful bundles to hang in your home. A unique take on decorations and colourfully fragrant talking point!

TREE DECORATIONS & FESTIVE TABLESCAPES

Use squares and lengths of plant dyed material to create stunning festive ornaments, from mantelpiece bunting and tree baubles to table dressing with a difference.

A decorative border of colorful snowflakes surrounds the central text. The snowflakes are in various sizes and colors, including red, orange, yellow, green, blue, and purple, arranged in a circular pattern around the text.

UNIQUE GIFTING

MARBLED CRACKER ROLLING, ECO PRINTED WRAP & CARDS

Practice the art of mindful marbling and use your designs to roll unique crackers. Use plants to print your patterns and designs on recycled paper wrap and cards.

BOTANICAL WAX MELTS

Create wax melts using dried flowers, herbs and citrus fruits for texture and colour, plus your own essential oil blend to fragrance drawers and cupboards.

A beautiful and unique gift.

COTTON CALENDARS, WRAPPING SQUARES & KNITTED STOCKINGS

Dye your own fabric in botanical inks using a range of different techniques including bundle, tie dye, hapazome, block and screen printing, and create personalised advent calendars and furoshiki wrapping silks, or dye a stocking knitted with British wool. Perfect gifts for the holiday season!

The image features a white background with numerous colorful snowflake icons scattered around the perimeter. Each snowflake is composed of six main branches, with each branch having smaller sub-branches. The colors used for the snowflakes are a mix of light blue, teal, orange, yellow, and purple, creating a festive, winter-themed border.

RELAX + RECHARGE

MASSAGE CANDLES & BATH SALTS

Blend your own massage candle using natural plant waxes, shea butter and your own choice of essential oils to create a beautiful gift for yourself or loved one.

Or choose from a range of herbs, dried flowers and coloured mineral salts to create bath salts to help unwind on the cold winter nights.

SCENTED PILLOWS & AURA SPRAYS

Dye and sew your own plant dyed sleep mask or pillow and fill with organic herbs. Blend your own crystal infused rooms spray and learn the properties of these magical stones, as you concoct a bottle of tranquility.
